VERMONT DEPARTMENT OF PUBLIC SERVICE'S
MOTION TO EXTEND COMMENT DEADLINE

On June 30, 2023, the Vermont Public Utility Commission (“Commission”) issued an Order Opening Proceeding to Design the Potential Clean Heat Standard, pursuant to Act 18 of 2023 (the Affordable Heat Act) which assigned the responsibility of designing the proposed Clean Heat Standard to the Commission via a proposed rule due back to the Vermont Legislature (“Legislature”) in 2025. This rulemaking proceeding follows the passage of Act 18 of 2023 regarding the design of the potential Clean Heat Standard to be voted on in 2025 by the Legislature.

Due to staffing issues from the recent flooding the Vermont Department of Public Service respectfully requests the Commission to extend the comment deadline to Friday August 4, 2023 for comments to be submitted.

Dated at Montpelier, Vermont this 18th day of July 2023.
