Order entered: 07/20/2023

ORDER GRANTING EXTENSION OF FIRST COMMENT DEADLINE

On June 30, 2023, the Vermont Public Utility Commission (“Commission”) issued an Order opening a proceeding to design the potential Clean Heat Standard pursuant to Act 18 of 2023. In that Order, we requested comments regarding the structure of this proceeding and the statutorily required advisory groups, with a deadline for comments on July 21, 2023.

On July 18, 2023, the Vermont Department of Public Service (“Department”) filed a request to extend the comment deadline due to staffing issues resulting from the recent flooding in Vermont. The Department’s request is reasonable, and it is granted. The new deadline for the comments is August 4, 2023.

SO ORDERED.

Dated at Montpelier, Vermont, this 20th day of July, 2023.
