

STATE OF VERMONT
PUBLIC UTILITY COMMISSION

Case No. 22-2954-PET

Petition of the Department of Public Service to open a proceeding to initiate EEU Demand Resources Plan proceeding for the 2024-2026 and 2027-2029 performance periods	
--	--

Order entered: 11/07/2023

ORDER EXTENDING DEADLINE FOR FILING TRIENNIAL PLANS

On September 26, 2023, the Vermont Public Utility Commission (“Commission”) issued orders approving Demand Resources Plans for Vermont’s three energy efficiency utilities (“EEUs”): Efficiency Vermont, the City of Burlington Electric Department (“BED”), and Vermont Gas Systems, Inc (“VGS”). On October 20, 2023, Efficiency Vermont, on behalf of itself, BED, and VGS, requested an extension of the deadline for the EEUs to file their triennial plans until December 1, 2023. Efficiency Vermont represents that the extension would allow sufficient time for the EEUs to produce, review, and finalize their triennial plans following the Commission’s Demand Resources Plan orders at the end of September.

On October 23, 2023, the Vermont Department of Public Service filed a letter stating that it finds the EEUs’ extension request to be reasonable.

Pursuant to Section V.9.A(a) of the Process and Administration of an Energy Efficiency Utility Order of Appointment document, each EEU is required to file a triennial plan by November 1 prior to the start of year one of a new performance period. Because our Demand Resources Plan orders were just issued at the end of September, we conclude it is reasonable to grant the extension request to allow sufficient time for the EEUs to finalize their triennial plans. The filing deadline is extended to December 1, 2023.

SO ORDERED.

Dated at Montpelier, Vermont, this 7th day of November, 2023.
