ORDER ESTABLISHING SCHEDULE FOR AMENDED DEMAND RESOURCES PLANS

On September 26, 2023, the Vermont Public Utility Commission (“Commission”) issued Orders approving Demand Resources Plans (“DRPs”) for Vermont’s three energy efficiency utilities (“EEUs”): Efficiency Vermont, the City of Burlington Electric Department (“BED”), and Vermont Gas Systems, Inc (“VGS”).

On November 13, 2023, and November 17, 2023, BED and Efficiency Vermont separately filed proposed amended DRPs to reflect the implementation of greenhouse gas emissions reduction programs as authorized by Public Act No. 44. BED and Efficiency Vermont also separately filed proposed schedules for the review of their amended DRPs.

On November 29, 2023, the Vermont Department of Public Service (“Department”) filed comments on the proposed schedules.

On November 29, 2023, Efficiency Vermont filed comments agreeing to the schedule changes proposed by the Department.

I adopt the following schedule for the review of BED’s and Efficiency Vermont’s amended DRPs based on the general agreement by the Department and Efficiency Vermont and given the availability of the Commission.

December 15, 2023	Deadline for Commission information requests

December 21, 2023	Deadline for responses to Commission information requests
January 10, 2024	Tentative date for proposal for decision

SO ORDERED.
