Order entered: 01/12/2024

**ORDER APPROVING VERMONT GAS SYSTEMS, INC. COMPLIANCE FILING**

On September 26, 2023, the Vermont Public Utility Commission (“Commission”) issued an order approving the 2024-2026 Demand Resources Plan for Vermont Gas Systems, Inc. (“Vermont Gas”). As a condition of its approval, the Commission directed Vermont Gas to make a compliance filing reflecting the decisions made in the Order. Vermont Gas was directed to include total short- and long-term budgets by sector, updated quantifiable performance indicators and minimum performance metrics, and all other compliance matters discussed in the Order.

On October 26, 2023, Vermont Gas made the required compliance filing. On November 7, 2023, Vermont Gas amended its filing.

On November 13, 2023, the Department of Public Service (“Department”) filed comments stating that it supports Vermont Gas’s updated compliance filing.

We have reviewed Vermont Gas’s compliance filing and conclude that it reflects the decisions made in the Commission’s September 26 Order and includes the required information. Accordingly, we approve Vermont Gas’s November 7 compliance filing.

**SO ORDERED.**

Dated at Montpelier, Vermont, this 12th day of January, 2024.
