**VERMONT DEPARTMENT OF PUBLIC SERVICE**  
**MOTION FOR ADOPTION OF PROCEDURES ORDER**

In Order to comply with the Commission’s Order that the protective agreement facilitate information sharing between the Commission and the Agencies, the Department maintains that the Commission itself would need to be a signatory to the protective agreement. In the Commission’s February 22, 2024, Order, the Commission noted that “the Department and ANR will likely need to submit a protective agreement that differs substantially from the standard agreement.” The Department suggests that in place of the requested protective agreement, the Commission adopt the following Procedures Order (Attachment A) to ensure that the confidentiality of the registration data is maintained.
