**VERMONT DEPARTMENT OF PUBLIC SERVICE'S REQUEST TO AMEND
APRIL 9, 2024 PROCEDURAL ORDER REVISING SCHEDULE**

On April 5, 2023, Green Mountain Power Corporation (“GMP”) filed a Joint Motion to Change Schedule (“Motion”) to which the Vermont Department of Public Service (“Department”) consented. The Motion gave a proposed deadline for GMP to file rebuttal testimony on April 15, 2024 and a proposed deadline for the Department to file discovery requests on GMP’s rebuttal testimony by April 19, 2024. On April 9, 2024, the Vermont Public Utility Commission (“Commission”) issued a Procedural Order Revising Schedule in the above-captioned proceeding giving the Department the same initial due date of April 17, 2024 to serve discovery on GMP. Due to the lack of time this allows the Department to review GMP’s rebuttal testimony and serve meaningful discovery, the Department respectfully requests until April 19, 2024, the proposed date in the Motion, to serve discovery on GMP’s rebuttal testimony.

Dated at Montpelier, Vermont this 15th day of April 2024.
