Re: Case No. 24-0969-TF - Tariff filing of Woodstock Aqueduct Company for a change in rates, pursuant to 30 V.S.A. § 225, effective on service rendered on or after May 16, 2024

Dear Holly:

On May 17, 2024, the Vermont Public Utility Commission held a scheduling conference in the above-referenced case. The hearing officer indicated that a public hearing could be held in person at the Woodstock Town Hall if the space was available on or about June 6, 2024. Unfortunately, the Town Hall is not available June 5 through June 7. Accordingly, Woodstock Aqueduct Company would like to proceed with an online hearing as discussed during the recent scheduling conference. Once the Commission has issued notice of the hearing, Woodstock will publish the public hearing information and link in the local paper.

If you have any questions, please do not hesitate to contact me.

Very truly yours,

SHEEHEY FURLONG & BEHM P.C.
