

**STATE OF VERMONT  
PUBLIC UTILITY COMMISSION**

Case No. 23-3501-PET

Petition of Green Mountain Power for approval of its Zero Outages Initiative as a Strategic Opportunity pursuant to 30 V.S.A. § 218d and GMP's Multi-Year Regulation Plan	
---------------------------------------------------------------------------------------------------------------------------------------------------------------------------	--

**MOTION OF VERMONT DEPARTMENT OF PUBLIC SERVICE  
TO REVISE BRIEFING SCHEDULE**

On April 16, 2024, the Vermont Public Utility Commission (“Commission”) issued a Procedural Order Correcting Revising Schedule to have initial briefs from the June 11, 2024 evidentiary hearing to be filed on June 14, 2024. The Vermont Department of Public Service (“Department”) hereby requests the Commission to extend the briefing schedule by two weeks. This would allow for both the Department and Green Mountain Power time to have sufficient time to write briefs and file initial briefs on June 28, 2024, with reply briefs to be filed on July 12, 2024. GMP authorizes the Department to state they do not object to this Motion.

Dated at Montpelier, Vermont this 11th day of June 2024.
