Re: Temporarily Suspending Recurring Meetings of Technical Advisory Group, Subgroup on Pacing

Date: July 29, 2024

---

The Clean Heat Standard's Technical Advisory Group, Pacing Subgroup, has elected to temporarily suspend their recurring biweekly meetings (otherwise scheduled for Thursdays in weeks that the full Technical Advisory Group does not meet). If and when the subgroup elects to resume their recurring biweekly meetings, a notice will be issued announcing the same.
