**RESPONSE TO HEARING OFFICER REQUEST  
FOR INFORMATION AND HEARING LOGISTICS**

Woodstock Aqueduct Company (“WAC”) provides the following response to the Hearing Officer’s October 1, 2024 Request for Information and Hearing Logistics. WAC has conferred with the parties to the above-captioned case regarding logistics for the upcoming evidentiary hearing scheduled for this matter on October 8, 2024. The parties to this proceeding do not have any expected cross examination for the witnesses in this case and do not object to the admission of the prefiled testimony and exhibits listed on the attached **Joint Exhibit 1**.

In light of the fact that the parties do not have any cross examination for the witnesses, the parties are prepared for the Public Utility Commission to take the petition in this case under advisement based on the prefiled evidence without a hearing. If no hearing is required, the parties would still file Initial Briefs on October 22, 2024 and Reply Briefs on November 1, 2024 in accordance with the current schedule. In the event the Commission has questions for the witnesses, Mr. Foley, Ms. Flint, and Mr. Billings will be available at the hearing on October 8, 2024.

Undersigned counsel has conferred with counsel for the Department of Public Service and the Village and Town of Woodstock and I am authorized to state that no party objects to the admission of the prefiled testimony listed on Joint Exhibit 1 or proceeding without a hearing in this matter.

DATED at Burlington, Vermont, on this 4th day of October 2024.
