On another topic is the ELECTRIC RATES. Since 2014 our per kwh has gone, from 2014 to, now close to .6 and hour and additional extra storm charges close to \$9.00 a month. IT APPEARS we electric ratepayers are having to cover for those who have SOLAR power. IS GMP putting their operating costs squarely on the backs of us who CAN'T AFFORD that. Please think about those of us who are elderly and living on "fixed income" and provide us with help. We have lived and worked in this state our entire lives and "feel" you all can't wait until we are GONE. NO appreciation for age or income .
