**STOP PRICING VERMONTERS OUT OF VERMONT!**

We struggle to keep our heating bill paid and home heated in the winter as is it is.

Our 3 family household "makes to much money" for any sort of assistance yet we struggle to pay the bills and keep a roof over our head.

If we had more children that we couldn't afford the State of Vermont would be willing to pay for all of it.

Stop!!! The cost of heating is already more then we can handle!!
