TO ALL PARTIES

Re: PUC Case No. 21-2939-NMP – *Petition of Randolph Davis Solar LLC for a certificate of public good, pursuant to 30 V.S.A. §§ 248 and 8010, authorizing the installation and operation of a 500 kW group net-metered solar electric generation system in Randolph, Vermont*

Dear Parties:

Following the December 20, 2024 appeal of the above proceeding, the Vermont Public Utility Commission (“Commission”) sent the Vermont Supreme Court, on January 3, 2025, a copy of the certified docket entries (register of actions) and a letter with the notice of appeal and orders being appealed. These are in the case in ePUC under the Commission issued documents for the appeal subcase for the matter.

The Commission would appreciate it if copies of the appellate briefs relating to this appeal, as well as any pertinent motions, etc., are filed with the Commission, via ePUC, into the appeal subcase in Case #21-2939-NMP.

Thank you for providing these courtesy copies.

Very truly yours,

A handwritten signature in blue ink that reads "Holly R. Anderson".

Clerk of the Commission
