Addison Counties, approximately 5 miles of)
new distribution mainlines in Addison County,)
together with three new gate stations in)
Williston, New Haven, and Middlebury,)
Vermont)

Order entered: 6/16/2015

ORDER RE: OPPORTUNITY TO OBJECT

On June 12, 2015, the Vermont Public Service Board ("Board") issued a non-substantial change determination in this Docket in response to a request from Vermont Gas Systems, Inc. (the "June 12th Order"). In so doing, the Board admitted into the record the revised plans reflecting the proposed changes filed on April 3, 2015. However, in that Order, the Board omitted to establish a deadline for the parties to file any written objection to the admission of this evidence. Accordingly, the parties shall have ten (10) days from the date of issuance of today's Order to file any written objection to the admission into evidence of the information provided by VGS that describes the non-substantial changes that are the subject of the June 12th Order.

SO ORDERED.

Dated at Montpelier, Vermont, this 16th day of June, 2015.
